

YMCA Community Action Network (YCAN)

Interested in serving your community?

The YMCA Community Action Network (YCAN) is looking to support **YOU** to team up, develop and deliver projects that respond to issues and needs in your local community.

Join us in making a difference, learning valuable skills and gaining experience. Together we will build a service project that is meaningful to you!

Service projects are starting February 2018!

For more information, contact your local YCAN Coordinator:
